

2014 DONORS

Thank you for your support!

Because of donors like you, the Y is able to be more than just a gym – it's a cause. Through your generous donations, we provide a community where everyone has a chance to learn, grow, and thrive. This creates a meaningful, enduring impact right in our own neighborhoods.

Thank you for helping us to give this opportunity to the kids, families and adults who need it most. Together we are creating maintainable healthy lifestyle habits, giving kids a safe place to play, and have expanded our capacity to serve the well-being of thousands of people. Thank you for your contributions and dedication to making our community stronger.

The Monroe County YMCA makes every effort to ensure that each contributor's name is properly listed. If your name is omitted, listed incorrectly, or misspelled, we offer our sincere apologies and ask that you advise us of corrections by calling Heather Gustafson, Development Director, at 812-961-2169.
